Rules:

1. You may only select a team **once over the 7 gameweeks**.
2. If your chosen **team wins**, you are **through** to the next gameweek. If they do **not win**, you are **eliminated** from the competition.
3. You must select at least **2 games from each of the 3 divisions**. As there are 7 gameweeks available to choose from, you are permitted to choose the remaining game **from any of the 3 divisions**. This can be done in any order that you wish.
4. At the end of Gameweek 7 all remaining entrants will go forward to the 'Extra-time' round where they will be required to make a further selection based on the finals in each of the four divisions. Additionally entrants will be asked for the cumulative no of goals scored in the four league finals as a tie break. In the case of a tie, the entrant(s) with the closest cumulative no of goals from all 4 finals will be deemed the winner
5. The total prize fund on offer is €1000. If there is more than one man standing by the conclusion of the 'Extra-time' Gameweek, the prize fund will be split evenly among all remaining entrants.
6. All entries to be received by **6pm on Wednesday January 24th 2024**. Any entries received after this time will be not be included in the competition.
7. All entries to be returned to the seller no later than the time specified above.
8. Any match postponements or fixture changes will be treated individually. Committee's decision on this is final.
9. The top 3 divisions of the National Football League have been included only. Division 4 has been omitted from the initial 7 gameweeks but the Division 4 Final will be included in the 'Extra-time' section.
10. At the 'Extra-time' stage of the competition those remaining entrants will be permitted to re-select a team that they had already selected during the initial 7 gameweeks. This is the only time where the same team can be selected a second time.

Please Note: Fixtures are subject to change. Committee's decision is final
